Mr. Allen W. Dulles, Director
Central Intelligence Agency
2430 East Street, NW
Washington, D. C.

Dear Mr. Dulles:

For the past three years, the General Electric Company has sponsored a Security Conference at Schenectady, New York which is attended by top management for the purpose of making them cognizant of the Communist conspiracy affecting the United States and her industries. This Conference is of one day duration and we have many prominent speakers who are well versed on the subject of Security.

This Conference will be held one day during the third week of February 1955. We would appreciate if you could designate a speaker from your office. His expenses will be remunerated and you would be advised later of a definite day.

This meeting will be open to the press; heretofore, it has been a closed session. Many leaders of other industries in the Capital District of New York State will be invited and the full attendance will be approximately 250 people.

Thanking you for any consideration you may give this request, I am,

Very truly yours,

Charles A. LaForge, Manager
